Childminder and Maternity Nurse

STEPHENSONWRIGHT.LTD - WEST HORSLEY

I am currently employed as a shared nanny by two families.

When I started this role over 8 years ago, I was initially responsible for looking after two children; 7 and 10 months old. Over the years, I have had the privilege of seeing the two families grow which enabled me to gain experience in supporting mums with pregnancies and looking after newborns. Nursery duties included preparing food, assisting with eating, monitoring sleep, and taking care of hygiene, as instructed by parents. Currently, my daily duties involve looking after children's needs, welfare, development, and health & safety during daily activities at home and outdoors.
